

Medical Interpreting

Laws and Practical Understanding to Daily Situations

April 24, 2010
9am to 3pm

FREE Admission

Optional Lunch \$10.00
RSVP Required

Engage in an open discussion on the laws relating to Healthcare Situations. Get answers to your questions. Exchange information on specific issues affecting medical interpreting. Learn about the interpreter's responsibility to state and federal regulations governing the interpreting profession. Role play "Hot Topic" scenarios in a safe environment.

About the Workshop Presenters:

Toni Fuller:

Toni Fuller graduated from Florissant Valley Community College with her Associates Degree in Communication/Interpreting in 1984. She has worked in areas ranging from Education to VRS interpreting. She instructed Beginning and Intermediate sign language classes through Continuing Education at Florissant Valley for 21 Years. During that time, she also established a sign class for children in the summer. She has worked with several agencies and spent three years working for a video relay service provider. Currently, she is employee full-time at Barnes-Jewish Hospital as a Sign Language Interpreter. Over the past two years she has spent time educating nurses, doctors, and support staff members on their responsibility to provide interpreters as it relates to laws and policies in healthcare. She currently holds a MICS Comprehensive certification.

Laura Forbes:

Laura Forbes is a graduate of St Louis Community College with an Associates degree in Deaf Communications. While working on her degree she worked as a full-time freelance interpreter in Illinois and the surrounding St Louis Missouri area. She was named Deaf Communication student of the year, while carrying a full course load, raising foster children and adopting 3 of them. She has been married to her wonderfully supportive husband for 26 years. She has served as President to the local chapter of RID. She has worked as an interpreter for past 24 years. For the past 5 years she has been a video relay interpreter for Sorenson video relay services, along with providing services to the community as a freelance interpreter. She currently holds national RID CI/CT certification and MICS Comprehensive certification.
